

WORKSHOP OVERVIEW

Program Format:

Highly interactive 3 day workshop customized to your team's needs.

Location:

Can be delivered on-site or off-site depending on client needs and employee location(s). We can assist with securing an off-site venue.

DAY ONE

Understanding Your Purpose
Organizational Alignment
Team Building

DAY TWO

Creating a Thriving Culture
Team Building and Debrief

DAY THREE

Sustaining Team Vitality for the Long Term
Action Planning and Implementation

This workshop will focus on

- Aligning actions with purpose;
- Creating meaningful, engaging work for today's workforce;
- Developing authentic relationships across the organization;
- Assessing and supporting the vitality of your team members.

Who should attend:

THRIVE™ works best with an individual business group or cross functional teams from the same organization consisting of 10-20 participants, each with managerial/decision-making responsibility.

THRIVE™ WORKSHOP

CREATING PEAK PERFORMANCE TEAMS THROUGH PURPOSEFUL LEADERSHIP

Let us help your team deliver the results you need

This three-day, interactive workshop will lead your team step-by-step through THRIVE™, a transformational organizational health assessment that leverages your team's strengths and opportunities to inspire a deeper sense of purpose to create peak performance teams.

Rooted in best-practice solutions and nearly a century of experience, THRIVE™ produces purposeful leadership through bottom-up alignment of your Mission, Vision, Values, and Key Performance Indicators. THRIVE™ will increase awareness, clarity, and alignment for your organization, delivering demonstrable results and a sustainable peak performance culture.

Through interactive workshops and experience-based reflection, your team will leave this workshop energized and ready to implement a targeted, culture-shifting action plan engineered to create meaningful impact.

If this is the team you'd like to lead, The THRIVE™ Workshop from Ennoble Venture Partners can help.

To get started on transforming your company's culture, give us a call or email:

Peak performance teams deliver superior results.

When your team's complementary talents and skills are aligned to a common purpose, your employees and teams will experience:

- A higher level of collaboration & innovation;
- Enhanced trust & accountability;
- The ability to effectively manage conflict;
- Open and clear communication;
- A positive working environment.
